Dear Mr. Williams:

Subject: Notice of Public Hearing No. PB04-93 --  
Proposal to Issue Joint Resource Conservation  
and Recovery Act (RCRA) and Hazardous and  
Solid Waste Amendments (HSWA) Permit to Clean  
Harbors of Chicago, Inc.

The Metropolitan Water Reclamation District of Greater Chicago (District) acknowledges receipt of the subject Notice of Public Hearing dated May 13, 1993.

It is our understanding that the subject hearing has been scheduled to address the proposed issuance of a joint RCRA/HSWA permit to Clean Harbors of Chicago, Inc., 11800 South Stony Island Avenue, Chicago, Illinois. Clean Harbors currently stores hazardous wastes and treats inorganic hazardous wastes under interim status pursuant to 35 Ill. Admin. Code Section 725.101(b). Activities to be regulated under the joint permit include an increase in storage capacity, a fuel blending facility and on-site treatment of organic hazardous wastes.

Please be advised that a review of District records revealed that Clean Harbors of Chicago, Inc. has been found in violation of the sanitary sewer discharge standards for copper, lead, nickel and zinc as set forth in Appendix B of the District's Sewage and Waste Control Ordinance (Ordinance). Copies of Cease and Desist Order (C&D) No. 23798 and an amendment to the C&D are enclosed for your reference.

EXHIBIT NO. 4.

RECYCLED PAPER

100% RECYCLABLE

Mr. John Williams

May 28, 1993

Subject: Notice of Public Hearing No. PB04-93 --  
Proposal to Issue Joint Resource Conservation  
and Recovery Act (RCRA) and Hazardous and  
Solid Waste Amendments (HSWA) Permit to Clean  
Harbors of Chicago, Inc.

In view of the above, we believe it would be imprudent to allow Clean Harbors of Chicago, Inc. to increase its hazardous waste storage capacity and to accept additional hazardous waste streams until such time as the company demonstrates that it can achieve and maintain compliance with the District's Ordinance.

Therefore, we are requesting that the IEPA hold issuance of the subject RCRA/HSWA permit in abeyance and that the company continue to operate under interim permit status.

Very truly yours,
